

HYGEN™ DOWN-PRESS WRINGER BUCKET, YELLOW

SKU: FGQ90088YEL

HYGEN™ DOWN-PRESS WRINGER BUCKET, YELLOW

The Rubbermaid Commercial Products Mop Bucket is a practical, ergonomic wheeled design intended for heavy commercial and industrial use. This mop bucket with wringer on wheels press sieve provides easy, no-touch wringing. Washboard surface effectively removes dirt and debris from mop pads before wringing. Smooth, nonporous surface helps prevent bacterial growth and cleans up easily. Non-marking casters will not damage floors. Twist valve empties contents without lifting for added safety.

FEATURES & BENEFITS

- Press wring bucket is an easy, ergonomic way to wring out HYGEN™ microfiber flat mop pads up to 18" in length.
- The press sieve provides easy, no-touch use without any bending over or pulling involved
- The built in washboard surface effectively removes dirt and debris from pads before wringing, while the twist valve lets you empty the dirty water after you're done without lifting
- Bucket has a smooth, non-porous surface that prevents bacterial growth and makes it easy-to-clean
- Durable all-plastic construction and four non-marking casters provide easy maneuverability.
- Accommodates enough cleaning solution for as many as 20 mops.
- Solution-emptying floor drain
- Suggested Use: Floor Finishing & Cleaning.
